

# Oxford Global Health and Bioethics International Conference

Keble College, Oxford  
17 - 18 July 2017

● Global Health Ethics

## Day 1 - Monday 17th July

**8:30-9:20** Registration – Main Entrance of the Sloane Robinson Building

### Morning Plenary Session —O'Reilly Theatre

**9.20-10:50**  
**Michael Parker and Patricia Kingori**  
*University of Oxford*  
Welcome  
**Devi Sridhar**  
*University of Edinburgh, and University of Oxford*  
Governing Global Health: Who Runs the World and Why?

**10:50-11:10** Coffee — Douglas Price Room (1st Floor)

### Parallel Sessions—see separate sheet for details

**11:10-12:25** Parallel Session 1a | Parallel Session 1b | Parallel Session 1c

**12.25-13.30** Lunch —Keble College Dining Hall

**13.30-14.45** Parallel Session 2a | Parallel Session 2b | Parallel Session 2c

**14:55-16:10** Parallel Session 3a | Parallel Session 3b | Parallel Session 3c

**16:10-16:30** Coffee & **Poster Session** — Douglas Price Room (1st Floor)

### Afternoon Plenary Session—O'Reilly Theatre Chair: Katherine Littler

**16.30-17.45**  
**Liza Dawson**  
*NIH/NIAID Division of AIDS*  
Ethical framework for the conduct of clinical trials in public health emergencies  
**Jonathan Herington**  
*Kansas State University*  
Health Emergencies, Resource Allocation and Individual Health Security  
**Annette Rid**  
*King's College London*  
Setting research priorities during epidemics of emerging infectious diseases

**19:00-21:00** Conference Dinner—Keble College Dining Hall

## Day 2 - Tuesday 18 July 2017

### Morning Plenary Session —O'Reilly Theatre

**9.00-10.15**  
**Jeffrey Kahn**  
*Johns Hopkins Berman Institute of Bioethics*  
Ethics at the Horizon: A Proposal for a Future-Facing Global Bioethics

**10:15– 10:30** Coffee — Douglas Price Room (1st Floor)

**10:30 –11:20**  
**Euzebiusz Jamrozik**  
*Monash University*  
Victims, vectors and villains: are those who opt out of vaccination morally responsible for the deaths of others?  
**Angus Dawson**  
*University of Sydney*  
What role should sustainability play in global bioethics?

### Parallel Sessions—see separate sheet for details

**11:25 –12:40** Parallel Session 4a | Parallel Session 4b | Parallel Session 4c

**12.40–13.40** Lunch —Keble College Dining Hall

**13.40–14.55** Parallel Session 5a | Parallel Session 5b | Parallel Session 5c

**15:00-16:15** Parallel Session 6a | Parallel Session 6b | Parallel Session 6c

**16:15-16:35** Coffee — Douglas Price Room (1st Floor)

### Afternoon Plenary Session—O'Reilly Theatre Chair: Nina Hallowell

**16.35-17.50**  
**Ruth Macklin**  
*Albert Einstein College of Medicine*  
The Global Gag Rule: US policy denies funds for vulnerable women in low-resource countries  
**Florencia Luna**  
*FLACSO*  
Limits and value of a layered account of vulnerability  
**Maureen Kelley**  
*University of Oxford*  
Vulnerability and Agency

**18:30—20:00** Drinks Reception — Ashmolean Museum

Hosted by the Ethox Centre, Nuffield Department of Population Health, University of Oxford

Day 1	O'Reilly Theatre	Seminar Room 1	Seminar Room 2
11:15 to 12:30	<b>Parallel Session 1a Chair: Liza Dawson</b>  <b>Gail Geller</b> <i>Johns Hopkins Berman Institute of Bioethics</i> Ethical, legal, and social implications of genomics for infectious diseases and epidemics: A framework for issue-spotting on a global scale  <b>Susan Bull</b> <i>University of Oxford</i> How can we ensure international data sharing is equitable?  <b>Sassy Molyneux</b> <i>KEMRI-Wellcome Trust Research Programme</i> Building the field: Developing networks to support ethics research and practice for health policy and systems research (HPSR) in sub-Saharan Africa	<b>Parallel Session 1b Chair: Jennifer Roest</b>  <b>Kenneth Ngunjiri</b> <i>Jomo Kenyatta University of Agriculture and Technology</i> What should the role of male partners be in women's consent to research during pregnancy? Insights from a HIV prevention study in Kenya  <b>Scholastica Zakayo</b> <i>KEMRI-Wellcome Trust Research Programme</i> Conducting research with families of children admitted with malnutrition - reflections on researchers' responsibilities to respond to vulnerabilities identified  <b>Kate Gooding</b> <i>Malawi-Liverpool-Wellcome Trust Clinical Research Programme</i> Continuums and contexts in decisions on trial participation	<b>Parallel Session 1c Chair: Annette Rid</b>  <b>Carleigh Krubiner</b> <i>Johns Hopkins Berman Institute of Bioethics</i> Ethics Guidance for How Zika Virus Vaccine R&D Can and Should Be Responsive to the Needs of Pregnant Women  <b>Nir Eyal</b> <i>Harvard T.H. Chan School of Public Health</i> Vaccine Testing for Emerging Infections: The case for individual Randomization  <b>Justin Dixon</b> <i>Durham University</i> Truth, Blood and Morality: Exploring Perceptions of Clinical Trials as a Form of Moral Triage at a TB Vaccine Trial Site in South Africa
	<b>Parallel Session 2a Chair: Susan Bull</b>  <b>Gloria T. Mason</b> <i>Harvard Medical School</i> Ethical implications for the Establishment of Biobanks in West Africa  <b>Geremew T Tsegaye</b> <i>Armauer Hansen Research Institute</i> The ethics of biobanking: background, principles and standard operating procedures for Research Ethics committee in Ethiopia  <b>Dorcas Kamuya</b> <i>KEMRI-Wellcome Trust Research Programme</i> Examining if and how stakeholders could be engaged about biobanking, and if and how the concept of social licence maybe useful: a protocol in development	<b>Parallel Session 2b Chair: Arianne Shahvisi</b>  <b>Charlotte Cliffe</b> <i>Kings College London</i> An ethical analysis on whether all transgender children, regardless of their country of origin, should have access to treatments, such as hormone replacement therapy and gender reassignment, before they reach 18  <b>Jayne Lucke</b> <i>La Trobe University</i> Where truth lies: Navigating ethics at the intersection of LGBTI health and wellbeing research, policy and practice  <b>Tiia Sudenkaarne</b> <i>University of Turku</i> A Womb of One's Own? Feminist and Queer Bioethical Inquiries into Justice and Vulnerability in Surrogacy	<b>Parallel Session 2c Chair: Ruchi Baxi</b>  <b>Elysee Nouvet</b> <i>Western University</i> The need to care, learn, and improvise: Enacting research ethics during the West Africa Ebola outbreak  <b>John Pringle</b> <i>McMaster University</i> Lessons in research ethics: Experiences of clinical research participation during the West Africa Ebola crisis  <b>Anna Chiumento</b> <i>University of Liverpool</i> Global health research ethics in emergencies: a question of trust?
14:55 to 16:10	<b>Parallel Session 3a Chair: Florencia Luna</b>  <b>Alexandra Fehr</b> <i>Emory University</i> Patient and Surrogate Views of Community Consultation for Emergency Research  <b>Bartholomew Wilson</b> <i>Partnership for Research on Ebola Virus</i> Engaging Communities in Clinical Research During a Public Health Emergency: Case Study of PREVAIL I Phase 2 randomized placebo-controlled Trial  <b>Derrick Aarons</b> <i>The Caribbean Public Health Agency</i> The ethics of research collaboration in emergencies: A collaborating role for research ethics committees	<b>Parallel Session 3b Chair: Gail Geller</b>  <b>Alex Hinga</b> <i>KEMRI Wellcome Trust Research Programme</i> Addressing Ethical Issues for Health and Demographic Surveillance Systems in sub-Saharan Africa  <b>Louise Bezuidenhout</b> <i>University of Oxford</i> Hidden Challenges to Open Data in African Research: Examining the Interplay Between Trust and Visibility  <b>Ruchi Baxi</b> <i>University of Oxford</i> Infectious Diseases Data and Sample Sharing: Perspectives on Ethics and Governance	<b>Parallel Session 3c Chair: Anna Chiumento</b>  <b>Gabriel Gyang Darong</b> <i>University of KwaZulu-Natal</i> "Safeguarding" the anonymity of "vulnerable populations" in research: the field experience with people living with HIV/AIDS in rural South Africa  <b>Charlotte Hammer</b> <i>University of East Anglia</i> (Re-) Conceptualising vulnerability as a part of risk in global health emergency response  <b>Ayesha Ahmad</b> <i>St Georges University of London</i> Ethical Evaluation of Trials of Interventions to Prevent Violence Against Women and Girls

Day 2	O'Reilly Theatre	Seminar Room 1	Seminar Room 2
11:25 to 12.40	<b>Parallel Session 4a Chair: Stuart Rennie</b> <b>Nili Eyal</b> <i>Rishon Lezion</i> Beyond the Ethical Boundaries of Solidarity: Solidarity as a Legal Motivation for Vaccination <b>Peter West-Oram</b> <i>Christian-Albrechts-Universität zu Kiel</i> Achieving Solidarity, and Justice, for Refugee Health <b>Arienne Shahvisi</b> <i>Brighton and Sussex Medical School</i> Health-worker migration and migrant health-care: seeking cosmopolitanism in the NHS	<b>Parallel Session 4b Chair: Kate Gooding</b> <b>Mphatso Mwapasa</b> <i>University of Malawi</i> "Are we getting the bioethics right?" - The use of biometrics within the health care system in Malawi <b>Halina Suwalowska</b> <i>University of Oxford</i> Ethical and socio-cultural aspects of autopsy in biomedical settings in low and middle- income countries <b>Adamu Addissie</b> <i>Brighton and Sussex Medical School</i> Adoption of 'Rapid Ethical Assessment' as a practical method for assessing ethical issues relating to biomedical research projects in a Developing Country	<b>Parallel Session 4c Chair: Derrick Aarons</b> <b>Claire Leonie Ward</b> <i>University of Basel</i> Defining Health Research for Development (HRD): The Perspective of Stakeholders From An International Health Research Partnership In Ghana And Tanzania <b>Allana Roach &amp; Cheryl Macpherson</b> <i>St. George's University</i> What constitutes research benefits in international research conducted in LMICs? <b>Maru Mormina</b> <i>University of Winchester</i> Capacity strengthening, human development and cosmopolitan solidarity in global genomic research
	<b>Parallel Session 5a Chair: Michael Selgelid</b> <b>WHO Session</b> <b>Abha Saxena</b> <i>World Health Organization, Geneva</i> Introduction of WHO's work in setting Norms & Standards <b>Andreas Reis, Amy Fairchild</b> <i>World Health Organization, Geneva; Texas A&amp;M University, USA</i> Launch of the WHO Guidelines on Ethical Issues in Public Health Surveillance <b>Abha Saxena</b> <i>World Health Organization, Geneva</i> WHO Guidelines on Managing Ethical Issues in Infectious Disease Outbreaks	<b>Parallel Session 5b Chair: Maru Mormina</b> <b>Aliya Oulaya Affdal</b> <i>University of Montreal</i> Fertility preservation for young girls or preservation of social inequalities? A multicentric study: Canada, France and Morocco <b>Roy Gilbar</b> <i>Netanya Academic College</i> Disclosure of genetic information to the patient's relatives: Can bioethics and law help increase the low rates of genetic testing? <b>TBC</b>	<b>Parallel Session 5c Chair: Maureen Kelley</b> <b>Alun Davies</b> <i>KEMRI-Wellcome Trust Research Programme</i> "Praise the rain if you've been rained on": The challenges and outcomes of engaging school students with health research in Kilifi, Kenya <b>Kyaw Tun</b> <i>Defence Services Medical Academy, Yangon</i> Ethical issues in recruitment of young people in clinical research in Myanmar <b>Abebayehu Tora</b> <i>Addis Ababa University</i> Health beliefs of young rural children at high risk for podoconiosis: a qualitative study in Southern Ethiopia
15:00 to 16:15	<b>Parallel Session 6a Chair: Ruth Macklin</b> <b>Nabeel Mangadan Konath</b> <i>Public Health and Bioethics Consultant</i> Concepts of Resilience and Responsiveness in attempting a Reconciliation of the Tensions in the Prevention versus Treatment Debate <b>Niall Winters</b> <i>University of Oxford</i> A Priority View of Technologies in Global Health <b>Bridget Pratt</b> <i>University of Melbourne</i> Constructing citizen engagement in research priority-setting to attend to dynamics of power and difference	<b>Parallel Session 6b Chair: Ruth Horn</b> <b>Maxwell Smith</b> <i>McGill University</i> Ethics for Pandemics Beyond Influenza: Planning for Future Ethical Challenges in Pandemic Preparedness and Response <b>Morven C Shearer</b> <i>University of St Andrews</i> Ethical approval: the rate-limiting step in global health research? <b>Sapfo Lignou</b> <i>Anglia Ruskin University</i> Health research in humanitarian crises: A post-research ethics analysis	<b>Parallel Session 6c Chair: Salla Sariola</b> <b>Stuart Rennie</b> <i>University of North Carolina</i> Perceptions of benefit among research participants: (how) do they matter? <b>Ana Komparic</b> <i>Simon Fraser University</i> Ethical Challenges in the Development and Implementation of New Tuberculosis Technologies: A Qualitative Study of Stakeholder Perspectives <b>Ziyu Liu</b> <i>Erasmus University Rotterdam</i> Patient Engagement at the Level of the Household: A Feasible Way to Improve the Chinese Healthcare Delivery System towards Justice
